TRADITIONAL AFTERNOON TEA

Afternoon Tea became a fashionable social event in the 1840's, two hundred years after the first tea was brought to the western world from China. It became a British institution and tradition, which the Henley Park Hotel has the pleasure of continuing. The Henley Park Hotel's Coeur de Lion proudly serves teas produced by Harney & Sons, Ltd.

TEA SELECTIONS

Earl Grey Supreme

Legend has it that this blend was a gift from China to Earl Charles Grey. Harney blends four black teas and Ceylon Silver Tips with precious natural Oil of Bergamot, then gently infuses for over a month in special containers.

Paris

Reminiscent of one of the most popular blends in Paris, this blend is a fruity black tea with a hint of lemony Bergamot.

Darjeeling

Deep in the mists that surround the Himalayan Mountains is Darjeeling, "Queen of Teas." Our Darjeeling tea is a blend of First Flush and Autumnal teas from the best gardens. This blend yields a light color in the cup and a fragrant "nose."

English Breakfast

An Ancient pedigree with heritage dating back to the early 1800's. Historic researchers trace its heritage back to the teas that the English drank regularly in the 1800's. It is, simply, China Black – 100% Keemun.

Dragon Pearl Jasmine

A great Jasmine! Beautiful little pearls of green & white tea that are carefully mixed with Jasmine flowers to impart a floral aroma! The smell and taste are sublime. The floral notes are perfectly balanced. A lightly oxidized tea.

Chamomile (Egyptian)

Using exclusively only Egypt's finest chamomile flowers, this tea achieves great body and a strong, fresh scent of green apples

Japanese Sencha

Hand picked in the spring, Harney & Sons offers only the highest quality leaves.

Pomegranate Oolong

Ti Quan Yin Oolong infused with pomegranate. The flavor and aroma from this tea is bursting with fruit and bright floral tones.

Hot Cinnamon Spice

Our most popular flavored tea, this is a blend of black teas, three types of cinnamon, orange peel, and sweet cloves. It's remarkably assertive, and that is its most admired quality.
